

EQUAL OPPORTUNITY EMPLOYMENT STATEMENT

The employment policy of Assured Information Security, Inc. (AIS) is to provide equal opportunity to all persons. Our company, therefore, has made a commitment to equal employment opportunity through a positive and continuing affirmative action program. No employee or applicant for employment will be discriminated against because of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, protected veteran status or any other Federal or State legally-protected classes.

AIS will recruit, hire, train and promote qualified individuals in all job titles, and ensure that all other personnel actions are administered without regard to race, color, religion, sex, sexual orientation, gender identity, protected veteran status, or disability in accordance with Executive Order 11246, Section 503 of the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans Readjustment Assistance Act of 1974, which require affirmative action to ensure equal opportunity in all aspects of employment. AIS does not discriminate on the basis of national origin or citizenship status as provided under the Immigration Reform and Control Act of 1986.

To further implement these policies, AIS will continue to :

- A. Base decisions on employment so as to further the principle of equal employment opportunity;

Employees and applicants shall not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in or may engage in any of the following activities:

- A. Filing a complaint;
- B. Assisting or participating in an investigation, compliance evaluation, hearing, or any other activity related to the administration of affirmative action and equal opportunity regulations;
